

EZZY Kid's Rig

Endo-batten seam construction with seam shaping, sets an exact profile in the sail.

Two-ply Leech

Reinforced grommets

Built in mast pad

Fixed head cap

Webbing loops instead of a mast sleeve makes uphauling a lot easier for kids.

Small grip, adjustable boom, fits 1.0 to 2.5. Uphaul included.

Adjustable, 2 piece aluminum mast

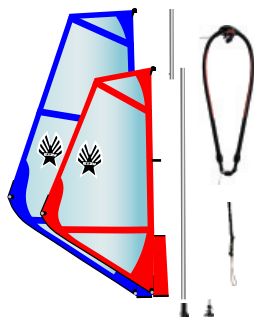

Spin-on universal with Euro-pin, tendon joint and rope leash.

Base cup with Euro-pin quick release.
